Annual Meeting

We had hoped to have an in person annual meeting this year, but with restrictions still in place, we will be holding our annual meeting virtually again this year.

The Virtual 2021 Annual Meeting will be held on June 24, 2021, at 6:00 pm via Facebook Live. No members can attend this meeting in person, which will be conducted by the Board of Directors, Management, and Staff. The Credit Union Annual Report will be available on our home page prior to the meeting. Please watch our home page in June for an “Annual Meeting” link. Print copies will also be available at all branch offices.

If you have questions you would like us to address during the meeting, please give us a call or send us a note using the “Contact Us” link at the top of the home page.

Enhanced Online Login Security

At Latah Credit Union, protecting our member’s personal and financial information is a top priority. Beginning in July, we will be introducing our new enhanced security password requirements. You will be asked to change your password the first time you log in to Internet Banking. The system will prompt you to choose a new password that conforms to our new enhanced security requirements. Watch our home page for upcoming password requirements.

Best Practices for Protecting your Username and Password

Username:

- Don’t use your email as a username.
- Avoid usernames that are too simple, similar to someone else or just your name.
- Create a username that is non-identifiable but not so complex you can’t remember.
- Avoid using your social security number, specific dates tied to your identity i.e. birth date, your full name or parts of your address of phone number.

Password:

- Strong passwords are long, the more characters you have the stronger the password.
- Strive for a minimum of 14 characters in your password including uppercase and lowercase letters, number and special characters.
- The use of passphrases, passwords made up of multiple words.
- Use different passwords for different accounts.
